ORDER:

In pursuance of the orders of the Hon'ble High Court of Andhra Pradesh vide order 2nd read above, and the instructions issued by the Government, vide letters 1st and 3rd read above and based on the comprehensive renationalisation proposals of faculty positions in 16 universities submitted by the Secretary, AP State Council of Higher Education (APSCHE), Mangalagiri, the Higher Education Department vide reference 5th read above, while stating that in spite of carrying out a comprehensive rationalisation exercise, the Universities, depending on the emerging situations specific to the University, may want to rename the departments or adjust a few or all the teaching posts from one department to the other department and from one cadre to another cadre in future. In such cases the Universities may submit such proposals to the Government, with the approval of their respective executive councils. As the GOs sanctioning the faculty positions are being issued with the concurrence of the Finance Department, the Higher Education Department may consider the requests of the Universities for re-appropriation of posts and name changes of the departments and have to send the proposals again to the Finance Department for concurrence. Therefore, the Higher Education Department has requested to delegate the powers on the following;

(a) readjustment of posts, within the University among different departments and within the existing category wise (i.e., Assistant Professor, Associate Professor, and Professor) sanctioned strength, based on the current trends and requirement of each University, and;

(b) changing of nomenclature of departments/courses, whenever necessary to attain uniformity among all universities;

(Contd...)

2. Government, after careful examination of the matter, hereby delegate the following powers to the Higher Education Department as a one-time measure confining it to the present rationalization of 16 Universities exclusively, subject to recommendations of the Executive Council of the respective University:

(a) readjustment of posts, within the University among different departments and within the existing category wise (i.e., Assistant Professor, Associate Professor, and Professor) sanctioned strength, based on the current trends and requirement of each University, and;

(b) changing of nomenclature of departments/courses, wherever necessary to attain uniformity among all universities;

3. Any deviation to the above delegation of powers conferred to the Higher Education Department will be taken up with the prior approval of the Government in Finance Department inevitably.
